Delia's Roadhouse

BY CURT WOODMAN — 2024-07-04

For five years now *DeliaNDN* has been hosting her club **Roadhouse** and its sister room **The Warehouse**. You'll find one of these rooms open every **Wednesday** from **2:00 EST** till **4:40 EST**. Delia provides a good selection of popular music complemented by some surprise songs hardly anyone has heard of, from progressive rock and metal to disco. A friendly group of regulars is sure to welcome you if you decide to drop by.

Not only have the parties been going on for five plus years but both rooms are that age too. My first two builds. A few renovations of course but always retaining that warm welcoming atmosphere. The only dancers are visitors dancing on the bar or the tables, the only bands are visitors too, hamming it up on the stage. They come as strangers and leave as friends, that's how we have built up our "regulars".
