Grand Ole Opry

BY CURT WOODMAN — 2024-07-08

The **Grand Ole Opry** has been a staple of 50s and 60s music in 3DX for almost 3 years. Lovely hostess **Minett** delights in finding tunes no one has ever heard of, mostly rock & roll from all over the world: from Japan to Argentina and from Iceland to South Africa. Over 20 different countries and languages have been featured so far. Moreover her eclectic playlists hardly ever repeat, reflecting the dedication and effort she spends on them. Evenings often revolve around a theme: outer space, trains, cars and of course exotic rock & roll. If all this sounds like a hoot to you, be sure to pay the Grand Ole Opry a visit. It opens every **Sunday** at **20:00 CET**.

Below some impressions of the summer venue. During winter time the Opry moves indoors to keep things nice and warm!
