BUILDS

Lockdown Builds

BY CURT WOODMAN — 2024-06-13

The COVID lockdown saw an influx of new people into the various online worlds, 3DX Chat being no exception. With time on hand, it also saw a boom of building creativity. Some of the most impressive lockdown builds are by [Alikiinchains](https://3dxmodz.com/index.php?/profile/12126-alkiinchains/)¹. You can find her amazing rooms on the [3DXModz website](https://3dxmodz.com/index.php?/profile/12126-alkiinchains/content/&type=downloads_file)².

Pirate Queen Ship

by Alikiinchains

The year is 1715, during the golden age of piracy. Somewhere in the Caribbean, a large pirate ship³ roams the seas in search for loot. And booty! This build feels so realistic you will be reaching for that eye patch!

Wild West Town

by Alikinchains

This is a wild west town⁴, in a mountainous forested area somewhere in the frontier. This realistic and colourful build will immerse you into the old west. And of course there is a saloon that also serves as a brothel. You can almost smell the horses and taste the whiskey!

Little Village in Tuscany

by Alikiiinchains

This is a little village in Tuscany⁵, Italy, complete with a basilica church, three apartments, a cafe, a restaurant and a Gelateria. However, all is not as idyllic as it seems! There is a dark secret in this particular little village, for those that can find it!
