Mal's Barn

BY CURT WOODMAN — 2024-07-09

For over four years *Malvasia* hosted the popular 50s rock & roll club *Dead End*. Deciding it was time try try something new, a year ago **Mal's Barn** was born. If you like alternative country, TexMex, Folkrock and similar then the barn is for you! Mal's focus is on music that uses real instruments played by real people. You won't find any electronic shenanigans here! It's fair to say that most of the tunes that get played in the barn you won't hear anywhere else in 3DX. It's not mainstream stuff, but a fun listen in a friendly and welcoming environment. The barn opens every **Monday** at **20:00 CET**.

With special thanks to Mal.
