Summer Days at The Lake

BY CURT WOODMAN — 2024-07-21

The latest update to *The Lake*, which goes by the appropriate name *Summer Days*, includes a new pavilion, a new pool area, new pergolas, as well as several other additions. The new pavilion is perhaps the most striking change, it eliminates the less used upper floor of the old building and focusses on providing friendly open spaces for socialising and game play.

The lake is a huge map with many different locations and hidden gems for you to discover. If you are new to this room, be sure to check out the handy [Portal Guide](https://fablesforge.com/portalguide/)¹.

The Lake's latest update features a new pavilion. The legacy pavilion had been based on the original pavilion from 2017. I felt it needed a facelift and so set out to build something that added to the Lake but also complimented the new pool expansion overlooking the waterfalls and the Lighthouse. Keely

A less visible but important addition to the lake is the introduction of The Lake Rules & Etiquette². With the expected launch of 3DX on Steam, room owners are starting to think on how best to handle an influx of new players. Keely is among the first to lay down some formal rules and we feel this is a good example for others to follow.

Strip or Dare

--- People might be familiar with the *Spin the Bottle* game that's available in some of the official locations like on the *Yacht* and at the *Sin Club*. It was always a fun game to play and brought people together. In the spirit of this, Keely is offering a game based on rolling the dice to simulate the spin. Check out The Official Rules³ to the game.
